(e) the number of skill development schemes in operation and the sector-wise number of skill development centres, State-wise including Rajasthan?

Answer

(a) to (b) The Union Cabinet in its meeting on 13th July, 2016, has approved the modification and continuation of the Pradhan Mantri Kaushal Vikas Yojana (PMKVY) as 'Skill Development Component' of umbrella PMKVY to skill one crore people over the four years (2016-2020) with an outlay of Rs.12,000.00 crore. The National Skill Development Corporation (NSDC), a Public Private Partnership entity under the Ministry of Skill Development and Entrepreneurship, is the implementing agency for PMKVY which is nation-wide scheme guided by skill gap and industry demand.

Under PMKVY 2015-16, it was not mandatory for NSDC's training partners to report employment data. However, under PMKVY 2016-20 approved by the Cabinet on 13th July 2016, the focus on employment has been significantly enhanced. The last 20% payment to training partners would be made only after wage employment or self employment of at least 70% of the successfully trained candidates.
(c) Data update exercise was conducted in the month of May by National Skill Development Corporation's team and the reported figure for Placed candidates out of passed candidates as of 15th July 2016 is 1,46,264. However, under PMKVY 2015-16, it was not mandatory for NSDC's training partners to report employment data. The employment data available reflects only a fraction of the actual employment provided under the scheme.

(d) India is a developing country and the state and quality of employment opportunities are guided by the economic conditions of a nation duly modulated by market conditions comprising supply and demand behaviour of cross section of people.

(e) NSDC's Operational Training Centers (state /union territory wise) for financial year 2016-17 till 30th June 2016, are as under:
